

Religious Education and Faith Development Policy

Le Chéile National School, founded in 2014, is a Roman Catholic School under the Patronage of the Roman Catholic Bishop of Limerick.

Relationship to School's Mission Statement

Le Chéile National School is a community committed to developing each child's full potential in a positive, supportive and Christian environment. We invite everyone to participate and we urge everyone to contribute. We also deeply respect children from other faith traditions and encourage their development in all ways.

Religious Education

Religious Education in a Catholic school has two main dimensions:

- Religious knowledge
- Faith development

Children are led to know about God and to know God.

Religion

Any universally acknowledged Religion is generally accepted to have six elements:

- Its founding story
- Its doctrines
- Its rituals
- Its morality
- Its community aspect
- An experiential element

Aims

The programme aims to encourage:

- Belief in God and in the person of Jesus Christ as portrayed in the Bible
- An understanding of doctrine
- The practice of prayer and worship
- Moral growth
- Self Care
- Building self respect
- Knowing their potential and goodness
- The development of community spirit which implies caring for the other, recognising the uniqueness and dignity of each person, the sacredness of life, our welcoming of the stranger, etc.
- The experience of God through prayer, through the recognition of the world as God's creation and through the circumstances of daily life.

Faith Development

We carefully plan for the development of the inner life of the child through creativity, imagination, an appreciation of our world and a sense of wonder.

This inner growth lays the basis for helping children with:

- Self acceptance of their goodness, uniqueness and relationships with others
- Faith in their ability to develop a personal relationship with God;

- Faith in the doctrines of the Catholic Church in which they have been baptised and an awareness of the mysteries of faith;
- The development of a personal prayer life and an understanding of the importance of communal worship.

This growth in understanding and faith informs their willingness to share, to make sacrifices for others and to act in a morally appropriate way.

CONTENT OF THE POLICY

The Programme

The Board of Management and the teachers have adopted the Alive-O Catechetical Programme approved and recommended by the Irish Hierarchy for use in Catholic Schools.

The programme assists our aims in an age-appropriate progression through the school.

There are eight separate programmes presented in a child's book and a teacher's manual for the classes from Junior Infants to Sixth class.

The programme incorporates the recommended approach to religious education for the reception of the sacraments of Penance, Holy Communion and Confirmation, which is undertaken by the school in close co-operation with parents and parish.

The programme is studied each day for one half-hour. A Catholic ethos, however, permeates the school day and the life of the school.

Teaching the Programme

The content of the programme is set out in each teacher's manual, which may also be viewed by consulting the Principal. The curriculum is spiral and aims at deepening both knowledge and faith development in each succeeding year. The aim of religious education is to foster and deepen the children's faith, a sense of their own goodness and how God is with them.

Aims of the Programme as laid out in stages for each class group

Junior/ Senior Infants	Introduction to prayer and the story of Jesus
First/ Second Class	Building on Infant Programme & Sacramental preparation.
Third/Fourth Class	Exploring faith development & consolidation of previous work
Fifth/ Sixth Class	Sacramental preparation and looking at Catholic Religion in relation to other religions.

Whole School Dimension of Religious Education Programme

As well as the programme, which is taught in each class, there are many aspects of religion, which are undertaken by the whole school together.

The Management and Staff and sometimes the children decide on appropriate and meaningful icons, pictures and statues to display throughout the school building and hall. These speak of people, events and ideas with which children can identify or through which they can be led to some new understanding of God.

Prayer and Worship

The school community is given the opportunity to share prayerful reflection and a sense of awe and wonder at the presence of God in daily life.

The major Catholic and local feasts are celebrated in this spirit. They are also marked with the aid of signs and symbols displayed throughout the school.

- Advent – the Advent wreath and Jesse tree,
- Christmas – tree and crib,
- Feast of St Brigid – traditional crosses,
- Feast of St Patrick – depiction of story & shamrock,
- Lent – symbols of repentance and ashes,
- Easter – symbols of the new life of resurrection, the empty tomb,
- Pentecost – artistic depiction of the coming of the Holy Spirit.
- If there are children of other Faith traditions, their symbols are also welcome.

Liturgical and paraliturgical celebrations are held in common on some occasions e.g.

- The opening and closing of the school year;
- Some of the above feasts,
- Carol service at Christmas,
- Times of trauma or crisis,
- Grandparents Day, as part of Catholic schools week.
- Other occasions which from time to time are considered appropriate to celebrate or to mark.

Community Building

We try to ensure that all children feel safe within the school community and feel that they belong; we also aim to ensure that all children understand that each child has the same right to have his/her opinions heard as any other.

A sense of togetherness and solidarity among the school community is fostered through, e.g.

- assemblies being held by the Principal or organised by other teachers
- our Green Flag initiative
- Sports Day
- School Concerts
- celebrating achievements of the pupils

Collaboration

The Catholic education offered here informs and permeates the whole atmosphere and ethos of the school.

It is conducted in collaboration with the children's parents and the local parish. In all matters pertaining to the education of the children and especially in religious education we acknowledge the primacy of the place held in this process by the parents or guardians of the children. We see our role as being supportive of the role of parents and the parish.

Spiritual Formation of Teachers

The spiritual nourishment of teachers is understood by the Board of Management to be an integral part of the religious education programme undertaken by the school and the Board of Management is committed to supporting this.

Religion in Relation to Enrolment/ Admission Policy

Subject to the terms of the enrolment/admission policy children of any faith or of no faith are welcome to this school. Each child is welcome to attend and benefit from the Catholic religious education programme. However, if parents have difficulty with this the Principal will meet with them to see if an accommodation can be reached.

The school cannot, however, undertake to educate children of other faiths in their own faith, nor can it provide supervision during the religious education period

apart from the class.

Where parents agree and see value in it, children who are not Catholic are welcome to participate in the Religious Education Programme and prayer life of the school.

Methodologies used to achieve aims –

- Study of the Alive O Catechetical Programme Manual
- Interactive learning
- Giving the children prayer experiences that are meaningful
- Sacramental and non-sacramental liturgies
- Use of imagination in prayer

The teachers teach the programme appropriate to their class. All members of staff and all within the school community are expected to actively support the spirit and ethos of the school.

Parents

Parents are the primary faith developers for their children and are asked to co-operate and support the school in its efforts, especially at times of sacramental preparation and at other school events to which they are invited. They are also asked to help with religious education homework and to read the parts of the Alive-O Programme that are intended for them.
